Regulations:

Teams must have participated in at least one rodeo on the WildTime circuit to have the right to enter St-Tite. During each of the competition weekends during the summer, participation points will be given to each team (10 points per participation). At the end of the summer, all those who want to participate in the rodeo and who are on the official standings, can make their entries, even if they are not qualified. If a place is available, the next in the ranking, who will have made their entries, will have the place. If there is a tie in points, the competitor with the most money raised during the qualifications will qualify, if the tie persists, a draw will then be made.

Exchange Race

Distribution of participants: 40 Circuit Wild Time

Added money: **\$18,000**

Regulations:

Teams must have participated in at least one rodeo on the WildTime circuit to have the right to enter St-Tite. During each of the competition weekends during the summer, participation points will be given to each team (10 points per participation). At the end of the summer, all those who want to participate in the rodeo and who are on the official standings, can make their entries, even if they are not qualified. Riders must have participated in one of the barrel competitions listed in the competition location section. On each weekend, riders can qualify for the right to enter St-Tite (depending on the results of the competitions). If a rider is already qualified in the 1st positions of the go, we take the following positions. The rider can present **a single mount** at St-Tite. When the rider is qualified, we go directly to the next position. During registration, the rider **can register with the mount of his choice**. If the rider is injured, we move on to the next person.

Entries:

Entries will be taken online, at a date to be determined. Verify the entry date and information during the summer on the St-Tite Western Festival website: www.festivalwestern.com .
